

## PROJECT MANAGER

DERKSEN MECHANICAL SERVICES is looking for an ambitious individual to join our team. We are looking for a Project Manager. If you are a strong individual that likes a challenge, this could be the opportunity for you. We are a fast-paced construction company that is growing rapidly. These positions are demanding but rewarding.

Responsibilities include:

- Plan a construction project and prepare a construction schedule in conjunction with the project superintendent;
- Utilize reports to monitor project succession;
- Monitor project estimates to actuals for all costs and inefficiencies;
- Monitor and approve all project costs;
- Monitor all project logs such as RFI's, Change Order's;
- Effectively co-ordinate, manage and communicate with all sub-contractors;
- Monitor and approve all project costs.

Qualifications:

- MS Project and Excel skills;
- Proven team player;
- Strong analytical skills with a keen attention to detail;
