Re: Quality System Registration

Your Quality System for Construction, Repair/Alteration of ASME B31.1 Power Piping, Boiler External Piping & ASME B31.3 Process Piping in accordance with the Alberta Safety Codes Act and Regulations, has been accepted and registered under file: AQP-21561.

Please find enclosed your Certificate(s) of Authorization Permit # 7731.

The registration authorizes you to undertake activities within the scope of program described in the Certificate of Authorization Permit. The information will also be included in our Internet Directory of companies whose Certificate(s) of Authorization Permit is current with ABSA. Please review the information on the Certificate and at ABSA's web site (access 'Quality System Programs, Directory of QS Certificate of Authorization Permit holders,' at <http://www.absa.ca/QC/qcdata>) and report any inaccuracies to Thai-Mee Chin at (780) 433 - 0281, Ext. 3363 or chin@absa.ca.

Renewal notification will be mailed 6 months prior to the expiry date shown on the Certificate(s) of Authorization Permit. Failure to complete the renewal process before the expiry date will prohibit your company from carrying out the activities described in the Certificate of Authorization Permit.

An invoice to cover the review and registration fee will be forwarded to you from our Accounting department.

If you have any questions, please do not hesitate to contact the undersigned at (780) 433 - 0281, Ext 3366.

Yours truly,

Satwant Rakhra, P. Eng.
